

"We are all here to learn"

# Longdendale Community Language College

20 January 2010

Dear Parent /Carer

Year 10 students have over the past week completed their first GCSE unit examinations for their Science GCSE's. I would like to thank you for your support in ensuring that your child arrived on time and with the correct equipment for these examinations. Results for these modules will be available in March and will be given to students by their science teachers in the earliest lesson following the release date.

Students should now have received, during their maths lessons, the results of the unit 1 maths examination sat in November. It may be possible for some students to re-sit this module and the maths department are currently looking at all the results with this in mind. Should you have any questions relating to your child's maths result please do not hesitate to contact the college office to speak to their maths teacher directly.

All Y10 students will next week sit internal assessments for RE and Citizenship. In addition to this students studying History and Geography will also sit assessments for these subjects. These assessments will take place in the exam hall and will allow staff to ascertain each student's readiness to sit unit examinations in these subjects this summer.

Monday 25 <sup>th</sup> January	Lesson 3	Citizenship
Monday 25 <sup>th</sup> January	Lesson 4	Geography
Wednesday 27 <sup>th</sup> January	Lessons 1 & 2	History
Wednesday 27 <sup>th</sup> January	Lesson 3 & 4	RE

To allow sufficient time for these assessments to be marked and for relevant comment relating to them to be made in the written reports for students, it is necessary to delay sending home the written reports to parents this term. Consequently, **reports will be sent home on Tuesday 23<sup>rd</sup> February 2010** and not on Thursday 11<sup>th</sup> February as calendared. There will be an opportunity for you to discuss your child's progress and the content of the written report at Y10 Parent's Evening on Thursday 4<sup>th</sup> March 2010.

Further information regarding the GCSE unit examinations that will take place during the summer term will be sent home later this term. Should you have any further questions relating to your child's GCSE examination entries please do not hesitate to contact me at college.

Yours faithfully

**Mrs Lorna Moore**  
**Acting Deputy Headteacher**
